It has always been my passion to become a teacher. With the blessings of my two children, I had the confidence to begin my career as an Assistant Teacher in Early Childhood in 1996. Throughout the course of my teaching career, I kept myself relevant in the industry with upgrading courses.

In 2014, two years after the completion of my degree, I was promoted from teacher to Vice Principal with Skool4Kidz. I was promoted to Principal and subsequently, Senior Principal. I am fortunate that Skool4Kidz exposed me to rich experiences that have enabled me to mentor and coach teachers in the field.

Today, the children I work with keep me open to discovering new strengths and weaknesses for improvement.

因为特殊的机缘与幼儿教育结缘，自开始踏入这个行业就爱上了这群天真快乐的孩子，是他们让我的生活充满生机与乐趣。

在乐心儿的两年多里是我收获最多的时光。非常感谢公司的领导及感受到融洽的同事关系。让我更珍惜的是，公司为每位老师提供了学习和提升的平台。当我需要很多新知识时，公司提供很多内部、外部培训和交流机会。这让我开阔眼界，充实自己。当我想提升自己时，公司会有很多机会并帮助我达成愿望。总之，只要你有梦想，公司都会提供机会助你成就梦想。

孩子是独立的个体、是主动学习者。与他们一起生活、游戏，设计适合孩子年龄特点的内容，在游戏中与孩子一起学习成长，跟随孩子特点不断改进游戏方式，怀着感谢孩子的心和他们在一起，希望他们因为喜欢和兴趣而爱上华语。

I would like to thank Skool4Kidz for believing in me and making a big difference to my teaching career. Through different workshops catered to meet differing needs, Skool4Kidz provides its educators with an opportunity to learn from their weaknesses and improve. With the guidance and help of my colleagues, I see myself improve and develop every day – for instance, I have become more detail-orientated.

Skool4Kidz has provided me with the necessary skills to teach effectively, ensuring every student understands the lessons I deliver.

I joined the company as a Chinese Teacher and was subsequently promoted to Senior Chinese Teacher. Skool4Kidz has provided me with many professional training opportunities, which has enhanced my early childhood knowledge. This exposure has enabled me to better perform my role as Senior Chinese Teacher. The working environment is harmonious and the overall management system has won praises from many parents. Skool4Kidz has contributed to my professional growth and I am very proud and happy to be a teacher at Skool4Kidz.

最初我是在朋友的推荐下进入幼教行业的。在加入乐心儿的大家庭之后，我遇到了很多拥有各种特长的老师们，让我可以向她们学习。乐心儿的课程表里所包含的活动也极其丰富，使我深深体会到幼儿教育的趣味性。当然还有学校所提供的多样性的培训以及我园每月组织的老师之间互相交流的机会，都使我收益匪浅，让我在专业知识和实战能力上日渐进步。俗话说得好：

“世上无难事，只要肯攀登！”我相信只要每天进步一点点，日积月累就是不小的成绩。
