# Why Skool4Kidz?

Skool4Kidz provides quality educational services within the guidelines of the Ministry of Education (MOE) and Early Childhood Development Agency (ECDA) at subsidised rates.

Our lesson plans are designed to build character and provide your child with a good headstart in his/her educational journey.

## An all-rounded curriculum

Our integrated thematic curriculum is built around:

- 1 Regular & systematic integration of learning experiences.** We ensure our children benefit most from a thematic curriculum that includes first-hand experiences which make learning fun and natural.
- 2 Structured assessments.** Our teachers ensure teaching standards are met, and children are learning effectively using a scaffolding approach.
- 3 Advanced learning technologies.** Our children are well-prepared for the digital future through the use of child-friendly tech-bots, gadgets and games. Through play and interaction with technology, our children develop creativity, critical thinking and social interaction skills.

## We cover essential learning areas:

- ★ Language and Literacy
- ★ Numeracy
- ★ Discovery of the World
- ★ Aesthetic and Creative Expression
- ★ Motor Skills Development
- ★ Social and Emotional Development

## Passionate educators who make a difference

Skool4Kidz's educators undergo rigorous training before they are certified to teach in our centres. Our educators are academically and professionally qualified. Creating a nurturing, safe and comfortable learning environment for our children to excel.

We take care of your child like our own – you can be sure they are in good hands!

## Quality support system

Skool4Kidz has an established team of pedagogical specialists who conceptualise, plan and develop our unique curriculum and learning resources. Backed by a support team that manages the overall operations at all our campuses and centres, Skool4Kidz presents an effective, all-rounded curriculum that ensures your child's developmental needs are met holistically.

## Child Care / Infant Care Subsidy

All parents with Singapore Citizen children enrolled in child care centres licensed by ECDA are eligible for basic subsidies. More details are available on: <https://www.ecda.gov.sg/Pages/Subsidies-and-Financial-Assistance.aspx>.

This develops creativity, critical thinking skills and social interaction skills to prepare pre-schoolers with 21<sup>st</sup> century life-skills.

## What our parents say

Daycia has been with Skool4Kidz since her infant care days and I have watched her blossom into an independent and responsible child. These days, she packs her own toys after she's done playing. I am pleased to say that the teachers at Skool4Kidz have played an important part in Daycia's development.

**- Mother of Daycia, Nursery**

The teachers at Skool4Kidz are very dedicated and well-trained. The activities and projects have enabled Dylan and his classmates to shine and express their talents. Thank you Skool4Kidz.

**- Mother of Dylan, K2**
