# MATHS JUMPERS *junior*

**Jumpstart Your Child's  
Primary One Maths Journey**

# What is **MATHS JUMPERS** junior ?

**Jumpstart** your child's maths journey for Primary One!

Specially designed to help preschoolers concretise math concepts and be engaged with tactile and interactive activities.

At the end of the programme, your child can progress and mental count confidently with fundamental mathematics skills!

## Methods of Teaching

- Concrete-pictorial-abstract method
- Engaging and lively manner & deliver number concept
- Hands-on activities and tactile manipulatives to instill mathematics concepts
- Application of mathematical concepts to familiar scenarios and daily lives
- Story-based learning to encourage creative problem solvers.

**ENGAGE** • **GROW** • **READY**

*in fun learning activities*

*to love and excel in math*
